

We would like to thank our Advisory Committees for going above and beyond in their help with curriculum steering, helping students with their projects, and constant support for our programs.

We would also like to thank our industry representatives for attending this event and being part of our panel.

We really appreciate everything you do!

A special thank you to itch.io and Washington High School for hosting this year's Showcase.

To all of our guests, thank you for sharing this day with us in support of our students.

*Every year, student teams across the state
are given a prompt by the
Advanced Media Entertainment Society
and must develop their project
within the same two month time frame.*

*This year's prompt is:
"Everything Has a Cost"*

*Teams competed at the local level
for the right to advance
to this Super Showcase event.*
